

## TRIPLE BORDER COMPLEX

*Foz do Iguaçu*

### DINNER

*Triple border*

The Marco 3 Fronteiras is right at the edge of Brazil which faces Argentina and Paraguay. It was totally remodeled offering a lot of comfort, services, cultural shows and restaurant.

Displays a restaurant as well for 180 pax, a dancing folkloric show.

### HISTORY

*Jesuits and the Discover of the Falls*

The Jesuit Square it's the first contact that the visitor has with the new Marco 3 Fronteiras whose architecture work was based on the Jesuit Reductions. It displays a souvenir shop, an auditorium for 20 people to watch a short (15 min) documentary about the Discover of the Falls, Alvar Nuñez Cabeza de Vaca and a Memorial to the movie The Mission, recorded in 1986 at Iguassu Falls, having actors like Robert deNiro and Jeremy Irons.

**MARCO 3 FRONTEIRAS**

**RECOMMENDED FOR PRIVATE GROUPS**

This is how the sunset shines at the Marco 3 Fronteiras a really wonderful display of colors, water, trees and sky!
